To The Student:

I have carefully read and understand the instructions for filling out this form and fully comprehend what is involved in bringing my spouse and/or children to join me here in the U.S. I have adequate financial resources for the care of my dependents for the duration of my program of study at the University of Utah. I am also well aware of the need to purchase medical insurance for my dependents, and I understand that I cannot claim Economic Hardship in an effort to obtain off-campus work authorization simply because my dependents are joining me in the U.S. I am aware that it is a violation of immigration law to provide information intended to mislead or misrepresent the truth, which could result in serious penalties issued by the Department of Homeland Security.
