Resources

During this unprecedented time, we continue to encourage you each to reach out to the [ISSS office](#) if you have concerns. This can be due to immigration questions, financial concerns, feelings of loneliness and isolation, struggling in classes with grades or keeping up with online courses, or maybe you are just looking for something to do in the local community! There are many resources our office can put you in reach with. Here are a few resources that might be helpful:

- [Resources During COVID-19](#). A comprehensive list of financial, educational, food, fitness, things to do, wellness, and UofU resources.
- [Student Success Advocates](#): Meet with an advocate to help you in creating success on campus! Their office also has a helpful list of UofU [Tools for Success](#).

Travel

ISSS does not recommend traveling outside of the U.S. at this time, since we are unable to predict how current travel restrictions may change in the future. Please continue to check the [COVID-19 FAQ](#) page on the ISSS website for updates as they become available. We do not know how long [COVID-19 travel restrictions](#) will last and what additional countries may be added or removed from the restrictions already in place. Both current travel restrictions and visa processing delays at U.S. consulates, for students who need a new F-1 visa, might make it impossible for some students to enter the U.S. and return to campus.

If you are reentering the U.S. please be aware of [travel guidance](#) domestically or internationally at this time. ***Any travel you choose to do during this time is at your own risk.*** Due to COVID-19, U.S. Customs and Border Patrol as well as USCIS are allowing the use of digitally signed forms of I-20s.

If you need a travel signature, you can complete the E-form “*I-20 reprint request*” in UAtlas and we will process a signed *electronic* copy of your I-20. Once the I-20 has been processed you will be able to access the completed document in your UAtlas portal. You will need to **print** your I-20, and complete the “Student Attestation” section of the I-20 for it to be valid.

As a reminder, travel signatures are valid for 1 year for enrolled students, and 6 months for those on OPT or STEM OPT.

Please refer to our [COVID-19 FAQ](#) for further details on travel recommendations at this time.

Beware of Scams:

International students and scholars at University of Utah and other universities across the U.S. have frequently been targets of a variety of scams using phone, email, social media, and other means. The scammers will also often use your personal information to deceive you. **The university, a police department, or the U.S. government will never call you directly and demand immediate payment over the phone.** We recommend you to review our “[Beware of Scams!](#)” webpage for further tips and information related to scams.
